“ Linda was such a great friend her sweet smile and happy face was always welcome to anyone who knew and loved her. Always happy and enjoying her gardens and jewelry making especially for family and close friends. If anyone needed any kind of help she was the first one to be there. Her most treasured things in her possessions in the world were her family. She loved them all Bob, her soule mate never left her side. When she passed into the pearly gates of heaven, she did it holding his hand. They loved life and did everything together. We will miss her dearly, but she would want all of us to hold her in our hearts and remember all the good things and the many wonderful memories we had with her. God has received a wonderful angel in his keeping. We love you Linda until the day we join you again you will ever be tucked away in our hearts.
