“ *Mrs. Linda was the nicest, kindest person I've ever known, ever. She loved everyone, loved to watch both people and plants grow and help them both along. She was amazing, beautiful and the most patient person I've ever worked with. The world lost a rose, for sure. So sorry to hear.*

“ I remember Linda from out time at FPHS as one with a sweet countenance and a wonderful smile. I don't recall if our paths ever crossed after graduations but it doesn't surprise me that her life was filled with love and a dedication of service to others. Her family has my deepest sympathies.

“ Thomas & Karen: I had the honor of working with your mother at Cherokee NH. I was her dept. head for a number of years. At times, simple words can not express my true hearts expression for this beautiful woman of GOD, she was truly a humble lady with concern for everyone. She always called everyone "little" and then add their name, her trademark.
She loved her family dearly, and she loved us. There will never be a better, more dedicated worker, with the exception of her co-worker Mrs.Higgins. We are so Blessed that we ever met Linda King--the patients lives were much better because Linda King worked at Cherokee Co NH. Truly this a sad time for us but our loss is HEAVEN's gain. Our Prayers are with you. Love, Tonya Tierce Pike.LBSW

“ Karen & Thomas, your Mother and I met when our babies (Karen and Brian) were born. PaPa (Buford) Bryson lived next door and while I was pregnant with Brian, I took care of Ms. Ola. His family became our family. We visited back and forth for several years to celebrate your birthdays. The first year we met at Ms. Pearl's house and Linda made the best blueberry dessert I ever tasted. Through the years, we were each caught up in our families and lost touch. I came across a picture I took when you all were visiting us one spring. I have made a copy and I hope to get to come to the funeral home and give them to you. I am so sorry for your loss. We never outgrow the need for our mother. You are in my prayers.
