

## Luther Alan Miller

February 10, 1954 - November 21, 2022

Luther Alan Miller, 68, of Fort Payne, Alabama, passed away on November 21, 2022, surrounded by his immediate family. He was born in Chattanooga, TN, on February 10, 1954. While most called him Alan, he was known to close friends as Big Al, and his favorite name was PawPaw. He was an incredible husband, father, grandfather, and friend, and to know him was to love him. His family was always his priority, and spending time with family, most especially his grandchildren, was his favorite activity. In 2020 Alan received a liver transplant, and made it a point to live every day to the fullest ever since, putting family time above all else.

A Memorial Visitation to honor Alan's life and memory will be held at Wilson Funeral Home in Fort Payne, AL, on Sunday, December 4, 2022 from 2-4pm.

He is survived by his wife of 34 years, Marsha Hope Miller; daughter Lindsay Limbaugh (Matt) of Huntsville, AL; son Jay Durham (Kelly) of Huntsville, AL; and daughter Brandi Cothran(Todd) of Franklin, TN. His beloved grandchildren are Brady and Grayson Limbaugh; Wyatt, Tucker, Riley and Miller Durham; and Emily and Hannah Cothran.

Alan was preceded in death by Reginald and Eula Miller.

In lieu of flowers, the family asks that you donate to the Mayo Clinic in

Jacksonville, FL (<https://philanthropy.mayoclinic.org/donateMC>).

“ To my BFF, I am so sorry to hear of your passing. In this life you have very few true friends and he was one of my few. I first met Alan while working at Wheeling in 1999 and I inherited a job that I knew very little about. I quickly figured out that he had forgotten more about roll forming than I will ever know. He had this easy going manner that he never made me feel stupid when I was trying to explain the thingumajig is not working again. He has always been there to answer my questions and help me throughout my career.

Me being a die hard KY fan and him Auburn lead to many of conversations and we started traveling back and forth between the two whenever they played. One of my favorite memories was KY went to Auburn. We tailgated before the game we visited Toomers corner and Marsha was explaining after the game they will be throwing toilet paper all over the trees. Somehow by the grace of God KY upset Auburn. As we were walking out I asked Marsha when they would start throwing the toilet paper. I don't think she spoke to me for six months after.

While I never met any of the Grand babies, his life was totally changed from the day the first one was born. He ceased to care about sports and all he thought about was the grand kids. His phone was loaded with Pix and I felt I actually knew Wyatt personally LOL.

Marsha, I know you are hurting so bad and my prayers go out for you. He was a truly a kind hard working man and I will miss you my friend. I will see you on the other side. Love ya, Bill Martin.....PS-Go Cats.

Wish we were closer to attend the services. Virgil thought so much of Alan and enjoyed working with him at Wheeling Corrugated Steele in Lenexa, Kansas. He was lots of fun to be with and we enjoyed spending time with him and Marsha when they let us stay at the cabin. Love to all. Sandy and Virgil Sullard.

I'm sorry for my BFF. I came to the memorial visitation and stood in line as long as I could and was impressed by the number of people paying last respect to everyone's friend. RIP my brother.
