“ *I am truly sorry to hear of your loss. I was privileged to get to spend time with Lynda and get to know her. She was always very kind to me and was there for me as a listening ear at times and I was there to listen to her at times. I wish I could have been able to see her again, but I know she is truly happy now and with her dearly loved husband Freddy. I know she missed him so much. My thoughts and prayers are with all of you.*
