“ I have such wonderful memories of Mrs. Haralson. When I ran for Student Council she used her beautiful artwork to make my posters! She always had a smile on her face and willing to help anyone. I'm sure her family will miss her! Sending my deepest sympathy, Dale Brown

As a friend of Barbara, I spent many nights sleeping over at the Haralson home. Mrs Haralson always made me feel welcome, ready to share a meal or allow us to bake cookies and mess up her kitchen, or do an art project. It was great fun and I loved being there with them. I still have a gift she made for my first daughter, which was a morning and an evening prayer done in calligraphy. I treasure them still. She was so smart and talented in so many ways. I was always so glad if I found out she would be my substitute teacher in High School, because she did a great job keeping order and never let rambunctious kids run her over. I am thankful for the good influence she had on me and the beautiful person she was.

*I pray that God will supply His peace and comfort to the family during this time.*
