“ *Gosh, I have such fond memories of the Brady/Payton family get togethers; and I miss them. Mrs. Brady was a very rare combination of fun, adventure, strength and caring. As a kid, I remember her and mom driving a backseat full of kids down the highway and Mrs Brady showing us how to get the truck drivers to honk their horns. As a teenager, I remember spending the weekend with her and she helped me make ceramics for mom. Her whole weekend was focused on doing something special for mom. Boy, I felt her love. I am very happy that she was blessed with such a beautiful family that will carry on her strength and love.*

“ Aunt Marilyn put out a welcome mat for me in Huntsville, Ala. I had just graduated college and work was hard to find. Taking me into her home in the South changed my life forever.

Memories of Lake Jackson with our families are highlights in happiness. Be at peace.

Jim Finnegan

Aunt Marilyn was very special to me from the first moment I met her. She was always caring, always fun, and was like a sister/mother/wonderful friend. She was the second Finnegan family member I met, next to her beautiful daughter Donna as I joined

the family by dating and later marrying her nephew, Jim Finnegan Jr. She led a good full life and had a wonderful family and although we will miss her terribly, she has left us with wonderful memories. Be at peace Marilyn... we love you. Gail and Jim
