“ *I am so sorry to hear of Mark's passing. He was a very kind, intelligent, and devoted friend. I met Mark at V. I. Prewett's Hosery Mill. He was always humble and everyone liked him. We were all so young and had big dreams for our future. it was obvious that Mark was a passionate writer. He would bring his great stories for me to read, but I just wanted to hear his critics of music and movies. Years passed and most of us went on to different paths. I got married and moved to Georgia. Mark allowed me to be in his wedding. He made sure I also got his great news the day Amber was born and his sad news when he lost his Dad. I lost touch with Mark because I thought my life was too busy, that is my regret. Mark was never too busy to be a good friend. He will always be remembered. He was a great guy.*
