“ *I'm so sorry to learn of the passing of Ms. Akins. She and I shared a common bond in our love for my brother, Kenneth Clayton. We always talked longer than we meant when we met up in Walmart. I did not know she had been ill. My prayers and heart go out to you in the loss of this great lady.*

“ I loved visiting with Mrs. Akins when she came to see us at the cancer center. She always had a smile on her face and something interesting to talk about. She was such a sharp, witty lady and we had many interesting conversations. I feel very fortunate to have known her. I think fondly of her every time I get a plastic bag out of the bag holder she made me! My deepest sympathy to Mr. Akins and the entire family. May all your fond memories bring you peace at this difficult time.
