“ *We are heartbroken to hear of Eulene's passing. She was a precious treasure. We know she's happy now that she's with Noah. So glad we went to see her a few weeks before Noah passed. He came in while we were there. Mother (Loweda) graduated with her and they were good friends all these years. We are so sorry we can't be there for you all but we will certainly be thinking and praying for you all. God bless.*
