“ This makes me so sad to read. She always called herself my silent partner in Cranberry Corner but silent she was NOT!!! I loved receiving her Christmas cards each year and watching her precious grandchildren grow. I loved this wonderful lady so much! She will be greatly missed. Tommy, you and your family are in my thoughts and prayers.

“*Mama Guice will live on forever in the hearts of the many young lives that she had in her care!
My grandson, Tyler, was only one of so many that she took in her home to teach, love, and be their second mom.
On days that I was to pick Tyler up, I always couldn't resist reaching down to lift him in my arms going out the door. Without fail she would say "he can walk ". lol
I would tell her that I knew he could walk but I just wanted to hold him.
Independence was just one of the many lessons that she was trying to teach him.
He just had a Nana who loved him so much that she had to pick him up at age 18 months or two years at the beginning of her care of him.
Sorry, Mama Guice, but, he has learned to walk in spite of a grandmother who didn't listen at the moment.
Not only your kids, but we too, who sat and visited with you, love you too!
Prayers for your Tommy and all your family.*

“*Martha was very caring about everyone. When I lost family, she always called me on my Monday duty at church and ask if I was OK and did I need anything. I have a wonderful covered Christmas container she made when I had Robbie in 1st grade. Use it every year with smiles and memories. She is already missed.*
