“ I will always remember the wonderful summer days my family and I spent with the Roberts family in Vally Head when I was a boy. I recall that Martha Jone was a loving and gracious person who never had an unkind thing to say about anyone. She was a joy to be around. In recent years, as her health was failing, those qualities never wavered. She was a treasure trove of memories of our family's history in years gone by. She will be deeply and truly missed on this side of Heaven. I will rejoice to see her again.
