“ Ppaw was one of kind! He loved everyone! He was our basketball pawpaw! He truly loved every one of those kids! There were afternoons he'd pick the kids up from school and he'd bring my babies an afternoon snack too! My car broke down up the road from his house and they let us push it into their yard! That very next day he had Haley text me about him looking at it! That same day he text me and told me he had it running again! I'll never forget the kindness and love he showed me and my family! He will truly missed! We love the Bakers and we're praying hard for them all 💙

After we moved away from Ft Payne we didn't see Marty and Michelle very often but we have such sweet memories from years ago, when all of our kids were young. They always treated us like family and we always had a great time hanging out with them. Marty was, as has been said, one of a kind! You couldn't have a better friend. Rest easy in the Lord my friend! Until we meet again! Praying for Michelle and the family.
