“ *My sincere sympathy in the loss of Ms. Mary. I remember Doc and Ms. Mary from my earliest childhood because they always took care of my pets. They helped me get my first dog, my cocker, Ginger and took care of her for 16 years. I know she will be greatly missed. My love to all of you.*

“ Paul, Jon, and Mike--I have just today, Monday, learned of your mothers passing. She and Missy were dear friends to all of us. We will miss her friendship and her Christmas cakes. Our thoughts and prayers go out to all of you. Your Mother and I used to talk politics all the time and anytime anything of interest was going on locally she would call or come by the cleaners for the latest scoop. Those are fond memories. We will miss her much.

“ My heart is heavy as I write this for each of you. At the same time I am seeing the light in her eyes and smiling I remember the warmth and love I was always given growing up with My Mary. I hope those thoughts can ease this time of sorrow. Love to all.
