“ Dear Casey Family, We send our prayers and love across the miles...We only met Maryann a couple of times..She was so kind, her faith was apparent for it was her fruit of Him that shone through her.. Have to say her laugh was so infectious...and her smile truly could light up a room.. Amazing Love comes to mind...oh how she had a truth she held on to, the Love of our Father, unconditional...most of all her honesty...in these few moments of spending time with her...these are the qualities that remain in our hearts..Maryann truly embraced life in the most simple ways...Family... Truly was an honor to meet her and to spend time with her and to get to know her... Blessings and extended prayers during this time of sorrow.. Alan, Sandra, Alexandria, Ashley, and Sarah..
