“ *I met Ms. Mary when I was 16, she was our switchboard operator at the old hospital and I had my first job as a nurse aid. I went on to become a RN and our Mary was known all over the hospital with her smooth easy voice as she paged the staff. This past year she and I have shared so many memories of " hospital days." Lot of laughs and great conversation of the "remember when" times. I will miss her sweet smile and that beautiful soft voice. Ms. Mary go now and use that voice to sing with the Angels.*

“ *So sorry for your loss. Mary was such a blessing to be around. We will surely miss her. Everyone at the Nursing Home had only good things to say about her. I don't think I have ever met a sweeter lady. She and I had a lot of good talks. We would laugh, talk, and even cry, sometimes, but she was very loved by momma, Rita, Pete, Jerry, Phyllis, Bruce and myself.*

You are in our thoughts and prayers.

Mary Ruth was a true gem. I enjoyed my time working with her at the hospital. I know that her and Lucy Plunkett are in heaven talking about the switchboard at the hospital. She will be missed. Prayers for the family.
