“ *It is so sad to lose someone that has given so much to so many. I always enjoyed time spent with Jo and shared her love of history. We first met while serving on Board of Landmarks and the chance meetings I had with her since give me good memories. Her articles in DeKalb Advertiser were excellently written and are keepsakes for many. I extend my sympathy to her loved ones.*

“ So sorry to hear of Mrs. Nance's passing. I worked with her for a couple of years in the Board of Education Office while I was in high school. She was a very sweet person.
