“ *Melba and I shared many good times when we were in high school. She was quite and always sweet and kind. I remember one night others and I spent the night at her house. We decided to go to Alpine to swim. When we got there and turned off the car and lights, it was so dark we got back in car and left. I tried to find her before our April reunion. Prayers all of her family can smile with your memories. She was loved!*
