“ *I got to know Michael when he worked at Cooper's Hosiery. He was funny most of the time. I enjoyed our talks and just getting to know him. The last time I got to see him was at another friend's funeral. I miss talking to you, but I know you are doing well now. "RIP", my friend 💔*

“ Will never forget when he was just a little boy when we were all leaving to go somewhere and noticing Michael was not in the car someway down the road. Dad turned around and quickly headed back home. As we pulled into the driveway, there was Michael digging in the dirt behind the garage. When he saw us driving up he looked at us and said, "Me didn't know you were gone till me saw you coming back." It will be a fond forever memory for me.

*He and I were so close over the many years to follow and I had the honor of him living with me for a while in Texas near UTA where he served with the University Police.*

*He has always had a heart for God and knew the moment mom took her last breath, "She's with Jesus, she's with Jesus now." He knew without doubt.*

*He was ready to go home but before he could leave God told him that Shane belonged to Him and Michael was to be sure to raise Shane up to be the man of God he was destined to be. He fulfilled that command and Shane is a born again Holy Spirit filled son.*

*He was so blessed to live long enough to see his triplet grand daughters of Shane and his wife Caroline. Praise God for His mercy are forever.*
