Thank you so much for sharing this with all of Michele's many friends. I was one of her fans thru the years and her ability to always be so calm and caring no matter what she was doing. I did not meet her until about 10 years ago and only saw her once a year but she never made you feel like you were a visitor but that you were a friend. RIP Michele, you will be missed.

Riley, as you carry on your mothers memory and legacy, may you always be reminded of her love. You have always told me beautiful things about your mother. Joy comes through mourning... you have photos and memories and stories to give you joy and share with others. May the peace of God come down upon you and flood your soul. I love you

“ I remember driving to Michele's every morning to receive our tapes to transcribe for the day, more years ago than I wish to admit. Our days began with a cup of coffee and a lot of laughs. I will miss her. We had so many good times. Goodbye my friend. Be at peace.
