“ *Misty your smile would make me smile. I missed seeing you at our family gathering when you did not come. I think you touched us all in different ways. I remember the day you were born you looked so much like your cousin Richard with that hair sticking straight up. There are so many wonderful memories, I will think of them when i think of you. Love
you so very much Aunt Sherry*

“ I was just a kid when she got married to Burt and I was in her wedding which thrilled me because I looked up to her and she chose me. Years later she played a big part in my wedding. Decorations and much more that turned out amazing. I'm glad we could be there for each other like that. I can remember her love for music. She would take me to listen to Burts band and we became very close. She showed me a the world through her eyes. She was always protective of me and always gave the most real advice even if it wasnt what I wanted to hear. I'm forever grateful for her and the impact she made in my life. PEACE LOVE AND ROCK ON COUSIN♡
