“ Mitchell was always the type of person you could count on! He would bring the light into a room without even trying. Even on his worst day he would always manage to put a smile on others faces! It's so hard going on without you being by our side, we will always miss you Mitchell we love you fly high!!!

“ Mitchell was a great friend. He was so kind to everyone around him, and had the most contagious laugh. He made me smile whenever I was down, and made my day so much better without him realizing all the time. We didn't talk very much, but the times we did, he would always say the funniest jokes! We love you Mitchell!! You're on my mind big.
