“ *Like so many others who were drawn to Nancy by her great humor, and warmth, I am deeply grieved and bewildered by her unexpected death. The world has lost someone very special.*

“ *I became friends with Nancy thru Water Aerobics at the Fitness First fitness center, I am still in shock over her passing. We talked during Water Aerobics a day or so before she left to go to Egypt, she was so excited to be going. I was excited for her and was eagerly waiting for her to return so i could hear her stories of her adventures in the Holy Lands.*

*Nancy was one of a few that didn't mind being splashed during Aerobics and would splash you back One of the sweetest people i've had the pleasure to meet. I'm sooooooooooooo going to miss my Splash Buddy. Rest in peace my dear sweet friend. I miss you so much already..*

“ *We are so saddened to hear of Nancy's death. My husband, Greg Rust and Nancy we lifelong best friends. We talked just before her trip to Egypt. She said it was a trip of a lifetime and she was so excited to be going. We loved coming up to Ft. Payne to visit Nancy. We would sit out back with a cup of coffee watching the birds and catching up on life's happenings. She was a special lady and we loved her so much. Godspeed Nancy. Greg and Nancy Rust*

“ *I am still in shock over Nancy's death. Nancy was a dedicated member of St. Philip's and always available to do the behind-the-scenes tasks that got no glory, but were needed to make things run smoothly. She was also lots of fun and I will always remember her pithy comments, especially in book group. May you, her family, be strengthened by the presence of our Lord during these days. May Nancy rest in God's peace and one day rise in Christ's glory.*
