“ I was thinking of Nelee just yesterday planning to try to contact her. The years went by too fast and 66 is far too young! May your hearts be comforted by good memories and each other. Diane Lenhart Fitser

“ Dear Dan and Jamie, I am so sad to hear about Nellie Jo, my childhood friend from age 2! We would spend all week together - alternating days at each other's houses. Saturdays off and then together again at Sunday School. We were quite the pair! This continued until her family moved to Nokomis prior to our starting 1st grade. Then we visited each summer after that for many years. I have been thinking a lot about her this year since we hadn't communicated in quite awhile. I wish I had followed up on my inclination to check in with her. She will be missed. My love and prayers are with you. love, Karen

“ I went to school with Nelee. Her father was our principal. Nelee was a cheerleader and a good person. She even did a cheer at our reunion in 1994. My heartfelt condolences go out to her family and her friends. Heaven got another angel.
