

Nora Rose Malone

October 14, 2016 - April 14, 2026

Nora Rose Malone, age 9 of Fort Payne, passed away on April 14, 2026. She was born on October 14, 2016 in Birmingham to Jacob & Katie Norrell Malone.

When Nora was prenatally diagnosed with Trisomy 13, she wasn't suppose to live a minute, hour, day, week, month, or year, but God continued to work in her life and allowed her to spend 9 beautiful years with her family. Throughout her life, God used her in mighty ways as she consistently reminded the world that His strength is made perfect in weakness. Now she has finished the work He had for her here and returned home to hear her Savior say: "Well done my good and faithful servant. Welcome Home."

Funeral Mass for Nora Rose will be 1 p.m., Friday, April 17, 2026 at Our Lady of the Valley Catholic Church with burial following in the Glenwood Cemetery. The family will receive friends on Thursday evening from 5 p.m. until 7 p.m. at the funeral home.

She is survived by her parents, Jacob & Katie Malone; brother & sisters, Rhett, Sophie, Molly, and Lucy Malone; grandparents, Charles & Diane Norrell, David Malone and Detha & Heath Johnson; great-grandparents, Carol & Gerald Don Laney and Brenda & Joe Holloway; Aunts & Uncles, Melissa & Robi Coker and Mara & Jordan Oliver; and several cousins.

“ I remember when Katie was pregnant with Nora. She was always a light for others with a gentle, yet quiet strength. I was so excited when Nora was able to get surgeries and procedures approved; God's light always shined through Nora and each of her milestones. She was the little girl who wasn't supposed to make it...but she did. She probably really confounded her doctors. They didn't realize exactly how much God loves her. There was no stopping her, or her family. She has always been surrounded by so much love. Malone family, that same love will get each of you through this. No parent should ever have to say good-bye to their child. I cannot image the depth of your grief right now. But I know you are loved and there are a lot of people who loved Nora. We are all here for you. Nora is in God's loving hands and he'll take extra special care of her.

“ I have watched Nora Rose through her short life and saw her siblings grow around her. God surely radiated around that red curly hair and those times she watched bright toys up close gave us all such warm memories. So many moments in such a short time. She blessed us all just to see her. Thank you for sharing her with us the way you did. It was the most unselfish thing I have ever known. May God comfort all of you till you meet again.
