“ *Jr,Rene,Thomas I dont even know where to begin. No words can make this any better for you. Pat was a wonderful woman, a good friend and sister in christ. I never seen her when she didnt smile. Yall were there for us when we lost daddy and I will never forget that. He loved you all so much. Now Pat and Daddy are together with Jesus. There are times I dont think mom would have made it without the love and friendship of Pat and Jr. Yall are the most wonderful people I know I thank God for each of you and we will be praying for all of yall. God is the only comfort that you will have. I am sorry I didnt get to come but I had the flu. Just know that I loved Pat with all my heart she was definitely one of a kind an angel here on earth and know that I love each one of yall. If you ever need anything I am just a phone call away. Please dont hesitate to call me day or night, I will be here for you. May God Bless and Keep you in this sorrowful time. Kathy Bethune Graham*

“ Hello my name is Christian, I met Mrs.Brendle at Fort Payne Middle school my first year there and she was like my best friend.She always knew what to say and helped me through alot of things.I am deeply sorry for all the pain you are feeling.I prayed for her every night to get better because she was like a grandmother to me.When I found out the news it broke my heart. I am now in the seventh grade and from the last three years that I have known her she is one of the sweetest women I have ever met. I wanted to tell you that everything will be okay and now she is no longer sick and hurting. I am sorry I was not able to attend the funeral.I will miss her so much and will never forget her. She was the strongest woman I have ever met and I jsut knew she would never give up.I will continue to pray for your family.I will continue to remember the god times we had together.She truly touched and helped alot of people in her life time.She always helped me with school work and always tell me that I was one of the sweetest girls she has ever met.If you need anything at all you have my e-mail address.i am sorry for your loss.Thank You,Christian
