Pastor Elaine, Brother Norvel, and Dad Hagin all up there together.
What fun they must all be having. She spoke over me and I'll never
forget it. We will surely miss her.

“ *Dear Elaine and Ken. We shall never forget the first time we met you. It was at a Sisters In Christ Women's convention here in Richmond, Indiana. After meeting you, we fell in love with you and had you back several times to Oak Park to minister. You changed so many lives, by your special charisma and making everyone feel special. We will never forget what you did for Pastor Larry and I in September 1997. You, prompted by God helped us in a crisis. Things like that do not just go unnoticed. Thanks so much. You impacted Jeana's life like no other. She calls you her mentor. Enjoy Heaven, you worked for the Kingdom long and hard enough. There are many other things I could say but you and God know. Love forever, until we meet again, "Just Inside The Eastern Gate." I know you will be waiting for us.*

“ Sis Elaine was a walking bill board for Jesus! She shared the love of Jesus with those she met. She minister to me and increased and boosted my self esteem. She was such a great example to everyone she met as well. You will be greatly missed. Elaine rest in the loving arms of your father.

“ Well, Elaine, you finished your course here on earth and have begun your course for eternity. So very many lives you touched and changed by the grace of God. Such love you demonstrated to all of us and such passion for Christ, zeal for Gods Word and obedience to the Holy Spirit. You enriched our lives every second hearing you teach and preach and the sweetness and genuineness of deep care for others gave us a living example of Jesus. You will be missed. But those of us whose lives you changed will enjoy your company soon enough. Sing on! Preach on! Love on!

“ My heart was saddened when I saw that she had gone home. My condolences to Ken and the entire family.. I remember I attended her Bible studies and miracle services on Lee Hwy ,Chattanooga, in the early days of her ministry. I was very intrigued by her fierce boldness signs and wonders, and compassion for sinner and the sick. Sister Elaine would go any where to preach the gospel. She preached with Dave Roberson at my former High School Word explosion 1984. She held and a did a Revival meeting in Lansing Michigan during a ice storm. Once held a carport revival in Rural Meigs county, County, was the keynote preacher. While she was preaching a bug went in her mouth. After a few minutes she recovered.

“ *What a life!!! I first met Elaine as a little girl and thought she was one of the most beautiful ladies I had ever seen. I wanted to be her when I grew up. On her last birthday I told her after all these years, I still do.....*

I have been witness to her life of service and surrender and I have been witness to the salvation, deliverance and miracles that came from that. I have also witnessed the heartache that can come, but Elaine remained faithful to her call and I am so grateful for the wells her life has dug and the roads it has paved that has made it easier for the rest of us coming behind her.

Little did I know all those years ago there would be a bond between us that would last a lifetime. As I told her sister Darlene, Words seem not enough for what my heart feels toward Elaine. She was my mentor, spiritual mother, and friend. Her touch will forever be woven in the fabric of my life, my family, and ministry.

“ Ken and family, I know that once Elaine got a glimpse of Jesus in Heaven she wanted to be there. Not that she wanted to leave all of you, just when people see our Savior they have a hard time not going to be with Him. I am so sorry for your loss and rejoicing knowing how much good she did for so many people here on earth including myself and my late husband. Blessings to all of you and praying the Peace of God which passes all understanding be with you always. Deborah Farnham

“ This has my heart so so so sad and devastated . Elaine was my inspritation when it came to preaching. She was truly a trail blazer for women, she paved the way for many. She could tell the most amazing stories I ever heard . She operated in the gift of miracles but she called herself a stoker for the Lord. Elaine did stoke the fire of revival. She was the first woman preacher I had ever seen 30 years ago and she was so powerful that seeing her in action and not really being used to the gifts and coming from a traditional back ground in our younger days it was a little scary for me, but I loved every moment of what she was about and wanted more of what I saw. She taught me a lot ! She will be missed so much but she left a legacy that will live on for generations. Every word she spoke and every prophecy she gave will be remembered and lives on in our hearts. She was my friend for 30 years and I loved her. Please tell your family your friends your neighbors you love them.

“ I had the pleasure of serving Pastor Elaine when she ministered at Agape Faith Church in Clemmons, NC. During her times of ministry at our church, I was the Food Service and Special Events Director. I remember serving her my Pastors' favorite breakfast item; "Pig Candy" and she loved it! She even wanted me to serve it with her salad at lunch... and I did! She was such a loving and fun person to be around and I just loved her. I also had the pleasure of meeting Pastor Ken and talking with him. My heart and prayers are with you Pastor Ken and the family.
