“ *I had the great pleasure of working for Pat at Intergraph for several years. She was a wonderful supervisor and a compassionate friend. No matter what the problem, you could always approach her and count on her intelligent and reliable advice. I also enjoyed our business trips together...whether we were cruising in a convertible in Savannah, dancing on tables in Finland or negotiating with authorities in the redlight district of Amsterdam, there was always an adventure! She adored her family and I know you will all miss her dearly. I am so sorry for your loss.*

“ *My sincere sympathy to the family of my friend Pat. She was always a joy to be around. I was lucky enough to be her roommate for a short time at the U of A and it was a treat. She was one of the most intelligent people I've known but yet so down-to-earth and the best pal a girl could possibly have. The world will be a bit less fun without her.*
