“ I've known Patsy since about 1980! We actually first met as young girls when my dad lost control of our car on a rain slick road and slammed into her dads car head on in front of Glenn Lawn Cemetary! We were on the Starlight Skate Team together shortly after that...I would go to her house and her grandmother would let me borrow costumes fir our competitions. I would ride with her to the skating rink too on many occassions! She was a good friend and probably the best CNA Dekalb Regional ever had! She took care of me when I had surgery a few years ago!! She will be greatly missed! I really wish I could make it back to town for a final goodbye! Love you Patsy!!
