“ Paul was a brother in Christ and wonderful friend. I worked with him closely during his tenure with the Social Security Administration. He was a consummate professional and kindly served each client. May our Lord grant Robin, their children and the family His strength and peace. Sam Crosby

“ Paul was one of my best friends in high school, at UMS in Mobile. Among other things we had done together, we were probably the only two teenagers in America in the 1970s who were fans of the 1940s swing band of Glenn Miller. Deepest condolences to his family.

“ *What a sad time-Paul was the nicest man. He was always kind and mild mannered, helpful and loving. He and Robin were inseparable and have done everything together, living out their dreams and traveling, loving the outdoors. My heart goes out to her and the rest of the family with prayers for peace and strength. ❤️🙏 2G*

“ *Paul McLain has always been a reliable friend and there for us in times of need. Along with his faithful convictions, came a dependability for service and servanthood. Personally, Paul with his son, Paul Robert, helped us numerous times to lend a hand with events at FellersCove. He, with Robin have been genuine friends, and we love them dearly.*

It is now comforting to know that Paul is now resting comfortably in the arms of our Lord as he beholds the awesomeness of our future Eternal Life in all of its imaginable Glory. Paul and his life and “his laugh and wittiness” made a refreshing impact on many.... As I can heartily testify to!!

“ *Paul has been my friend for over 30 years. We raised our children together, shared the same Faith, and laughed together—a whole lot. Paul’s sharp sense of humor and ready wit will be sorely missed, but I look forward to forever because I will get to spend eternity with friends like Paul.*

“ Paul was a true friend in every sense. He loved and honored our dear friend, his wife Robin. His love for her and their children was at the center of who he was. That love emanated from his love for His lord and Savior, Jesus Christ.

To me Paul expressed his sincere friendship through many acts of service over

The many years we have been friends. I remember many but one vivid memory was during a period when my husband Paul and I were faced with the damage to our home from a hurricane.

The downstairs of our home was heavily damaged and after the repairs I decided that I wanted to tackle painting the entire area and to use oil based paint. Paul volunteered to help and worked at our side for many, many nights, dedicating time after work to see that project through.

Now as I think of Paul I see him vividly with that paint brush in his hand: smiling, laughing and encouraging. I will miss his presence very much yet I know our friendship and love in Christ remains for eternity.

“ I have known Paul since grade school at UMS in Mobile. Funniest and best of friends. Even as a young teenager he was a committed Christian, and that never changed. He was one of the few people with whom I could pick up an old conversation as if it had only been minutes since we last talked. It is such a shock to know he has left us on this side of life, but I know we will see each other again. I pray in thanksgiving that I have known Paul, and to have been part of his life. My continued prayers for comfort are offered for Robin and his children.
