“ It was always a pleasure running into Peachie. No matter where or when, she always had a smile and sweet words for you. One of the most outgoing people I have ever known. I knew her brother, Willie Jr., her sister, Charlene, and her niece, Amy, and they all had that outgoing nature. She will surely be missed by all who knew her. Much love to the family... “Peachie was such a joy to be around. I remember going to her Salon and having the best conversations as she cut my hair. Peachie always called and reminded me of my next appointment! She made everyone feel welcome and people loved to be in her presence. My thoughts and prayers go out to her family during this difficult time.

“Peachie was always such a joy to be around and I loved always going to get my haircut at her Salon. She use to call and remind me in high school when it was time to come back again! She always asked about my family and how they were doing, and was genuinely such a great person to be in the presence of. She will be greatly missed and my thoughts and prayers go out to her family during this time.
