“ *Sad to hear. She was a great teacher - seemed to know ho to get through to you. Her greatest gift to me was the encouragement to read the Once and Future King by T.H. White. The joy of reading. Prayers to the Garland family.*

“ *Peggy Garland was a teacher of mine in Frankfurt, Germany. (FAHS) She was my friend and pen pal thereafter. Such a blessing. She loved her students well, making us feel like family in an environment that could sometimes be a bit challenging for teenagers who experience lots of change. She will be dearly missed. I hadn't heard from her in much longer than usual and I thought I should look to see if she had passed. My love, thoughts, and prayers go out to her family. Such a dear person. I know she will be missed by many.*

“ *Her former pastor Dennis Dodson will be saddened to learn of her death & saddened that he could not attend the funeral. He is out of the country this week. I remember Peggy as a grand, fun loving, generous lady.*
