“ *Logan had my heart the first that sassy little girl walked into my classroom at Wills Valley and she never left and will never leave. She was a true blessing to me. Through all her struggles, she somehow always made OTHERS smile. I am blessed the as she grew up, our relationship change from teacher/student to friends. I pray for peace, comfort and understanding for your family and all those blessed to have known Logan.*

*Love and prayers,
Heather*

“ Leann, we have had the conversation before about God not giving us more than we can handle..seems like we should be superwoman by now, but remember it's true. He will be your rock when you feel like you can't go on. I can't imagine the pain you are feeling right now but I know how much you loved Logan and how much she loved you. Momma's are never far apart from their babies, we carry them in our hearts. Keeping you and your family in my prayers
