“ *I was deeply saddened to learn just now that David had passed away. I met him and we developed a friendship while working together on our new cancer center at Marshall Medical Center. I learned to late of his passing to make it to the funeral home tonight and don't really know any of his family, but I wanted to share my sympathy with his family and loved ones. He talked a lot about his nieces and nephews and how much he loved you all. He and I occasionally stayed in touch throughout the last 5 years just to see how things were going. He was a quiet, kind and caring gentleman and I am glad I had the opportunity to know him. I am also happy to know he is rejoined with his wife today.*
