“ *Richard was a good friend who was always willing to lend a hand or to give helpful advice, especially when it concerned electrical problems and other 'fix-it' problems around the house. I will miss my friend. Cook-outs during the race on Sunday afternoons will never be the same and I am certain I will never taste a hush-puppy as good as those cooked by Richard.*

“ *Mr. Tidmore will be always in our thoughts and it won't be the same without him. We got to know him over the last few years and enjoyed his company. Living next door to him has been a privledge and an honor. He was a Brother in all senses of the word. He will be truly missed by us and his other Lodge Brothers. He is now welcomed into the arms of the Great Architect in the Sky. Love you, Mr. Tidmore.*
