“ *Ricky had a heart of gold. He was so generous and thoughtful. He was a great manager and respected by all his Ferguson family. I remember times he would surprise all of the associate with a milkshake or even a cookout for their hard work. Each Christmas he and Rita bought each associate a Christmas gift and mailed each associate a Christmas card. He never hesitated to help anyone in need. He was such a giving man. It was an honor to know Ricky. He will truly be missed! Love you Ricky ♡*

“ *I started at Ferguson back in 2002 and Ricky was my first manager. As long as you did your job, you would have no problem with Ricky. He was a great boss and also a great guy who would do anything for his employees. One thing he did pretty often at work was buy shakes for the entire shift just to let us know we were appreciated. I don't think Ferguson is quite the same without him. He will truly be missed. I will keep his family in my prayers during this difficult time.*

“ It took several months for me to ever break into Ricky Morgan's circle of trust when I first started at FEI, and we opened the Fort Payne Distribution Center together....once I earned that trust, we were great friends through thick and thin and I considered Ricky one of my dearest friends. He was loyal and honorable...and I respected his work ethic above all else. No other manager achieved the impossible night after night! Rest In Peace dear friend! You will remain a dear friend forever!
