“ I still can't believe you're gone! I know we had our differences but, I always had your son and grandkids best interest at heart!!! I even tried to get Ronnie to surprise you for Thanksgiving but, he didn't want to leave Randy alone and I agreed. You would be extremely proud of Ronnie...he's stop smoking and drinking and has gotten his HBP under control! Everyone misses you and feels your presence....thank you for watching over us! We will be reunited again some day but, until then....we love you!!!! Thank you for loving us unconditionally!!! Love Ronnie Jr., Melinda, Michael and Ashlee

“ Although it's difficult today to see beyond the sorrow,?may looking back in memory help comfort you tomorrow
Hold tight to memories for comfort,?lean on your friends for strength,?and always remember how much you are cared about.
Those we love don't go away,?They walk beside us every day,? Unseen, unheard, but always near,?Still loved, still missed and very dear.
We love you pops...the boys(Ronald Lee Hurst Jr. and Randall William Hurst) and family

“ I will never forget my last ride on the tractor with you. We had a good talk about Rhonda and how grateful I am that you married and gave me a real sister. And you shared how much you love her, and how she has made your life so good. We will keep her close and watch out for her I promise. You rest know brother..you will always be in our hearts.

“ Rhonda, Please know that June and I are thinking of you. Just the other day we were talking about how we had such a good time at the reunion and sitting talking with you two. You are in our prayers. John and June Reigle

Thank you John and June. We really enjoyed the reunion as well. It seemed different somehow from ones in the past in that the group was engaged together the entire weekend. That was special to Ron and he mentioned often how much he enjoyed it. Take care.

“ *Ron hid a heart of gold underneath that gruff exterior and cared about so many people but had a hard time of showing it. He loved the life we created in Alabama although he missed family and lifelong friends in Florida. I know he loved me as he showed me everyday without fail. I cannot believe he was taken so soon....we had so many more happy memories to create.*
