“ *Rhonda and I were best friends in our teenage years. I remember we would sing together in church. I loved Rhonda and have so many precious memories of her. The past few years we talked a few times and always intended to get together, but our busy lives never let that happen. I know she will be missed by her precious family and I know she's with her Savior now. She loved the Lord and was a shining Light for all who knew her. Please know you are in my thoughts and prayers. “ *Ronda was a very kind gentle praying women. One of the first people I met in Mentone.
My fondest memory is how she had such a sincere heart towards others and when we came to her Mountain Properties office in Mentone..she prayed for me because she felt led to. That is something I will never forget. I pray for Ronda a blessed renewed life with her Savior.
A great celebration rejoicing in heaven.*
