“ Please accept my deepest sympathy on your unexpected loss. Ronnie was a wonderful man who lived his life with Godly character, a loving heart and gracious spirit. I feel blessed to have known Ronnie and it was an honor to call him my friend. In tragedies like this it's hard to understand why but we can draw on our faith in our Heavenly Father to help us as we struggle with our sorrow and pain. I take solace in the words of our savior Christ Jesus who in John 14:27 says “Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid”; also in Matthew 5:4 where He say’s “Blessed are those who mourn, for they will be comforted”. I pray God our Father will comfort you both and bring His peace to your troubled hearts.
My thoughts and prayers are with you both... May God Bless.

Ronnie and I were coworkers while employed with The Alabama Dept. Of Public Health for over 15 years. Ronnie was such an Outstanding Young Man raised by Christian faith which he exceeded daily. His welcomes were always with a beautiful smile on his face and saying and how are you Miss Paulette..he loved his family and friends so very much.. I want to leave this precious memory of him by saying...he stood over 2 hours to come to see me and my family when a loved one died in a car accident...he went thru the line and gave his condolences then when he saw me sitting on a sofa he came running to me tears rolling down his face ..he was there to show how much he cared. I loved him like my own child...his memory I will always cherish. "The Lord your God is in your midst, a mighty one who will save: He will rejoice over you with gladness, He will quiet you by his love: He will exult over you with Loud Singing. Zephaniah 3:17 Family please know you are being remembered in prayers, May God Give you Comfort, Peace and Strength during this difficult time.
