“ Mr Smith was a teacher of mine many years ago at Valley Head High School. I took all his math classes. My boyfriend was a couple of years ahead of me. He was very shy and didn't like to be called on. Mr Smith used to tease me and say when the preacher asked him "do you take this woman----" that he would say "I don't know " That was my boyfriend's standard reply evidently. (Well he didn't say that. We were married 52 years when he passed away.) Mr Smith was one of my favorite teachers. I am so sorry to hear of his death. Sending prayers for the family and friends.
