“ My mother worked with Ruth at the hospital and then it was my pleasure to work with her. She was such a sweetheart. When I married Mike, I learned that they were neighbors and Ruth was the "resident" medical person in the area (keeping all the kids fixed up) Mike loved and respected her. We are so sorry for your loss. The family is in our prayers.

“ When I was only 10 years old I had to be hospitalized and I was so terrified, but this beautiful, wonderfully caring nurse came to my room and comforted me - this beautiful nurse was Ruth Boggs. Once again Ruth came to my rescue when I went into labor with my second child. It was late and nearing the end of her shift. the doctor was busy delivering another baby, but Ruth stayed with me and she actually delivered my beautiful baby girl. This beautiful nurse will never be forgotten - we were all blessed for having known her.
