“ Rich and I met Sheila and Bill while in Germany. We kept in contact periodically thru the years. We also stopped to visit a few times returning from our Pennsylvania trip. Sheila has been a good friend thru the years and I will miss our periodic chats. Rest in peace my dear friend.

“ Your love & light will always be here watching over us, just like the day you thought I'd need rescuing from the pool. I know you're here and I've chosen a living gift for you...a small grove of trees to be planted in your honor in the Okanogan-Wenatchee National Forest, a place to be restored after terrible wildfires. Somehow I thought you'd like that.

CARD NOTE

A beautiful living tribute for my beautiful Aunt Sheila and the blessings she has left on Earth: Family

“ *Sheila and I worked together at Shugart's . She was a very sweet lady, and a wonderful friend. Sadly, we lost contact with each other over the years. I thought about her many times.*

The family is in my thoughts and prayers at this difficult time. Fly high, Sheila.

“ *Always an upbeat attitude and never met a stranger, she would do anything for anyone with a smile. We shared many good times with her and Bill both in Washington and Alabama. A dear sister that I will miss until we are reunited in heaven. Love you sis*
