“ I remember growing up together visiting our grandparents farm. Fishing and jumping off the barn roof into the hay. Sheena was quick to laugh and loving to everyone. She had the sweetest heart.

Ms. Sheena was a dear, sweet lady. I worked with her for many years at Mohawk. She was part of our Lyerly Mohawk family and will be missed by so many. My heart breaks for Sheena's family and loved ones.

We always had so much fun together when we came to visit. One summer she went to Disney world with us when we were about 13. It was so much fun. But my favorite memory is that she could hear a song on the radio once and play it with 2 fingers on the piano. She was amazing. She will be missed by all that knew her.
