“ I have been praying for you all. I am so sorry for the loss of my dear friend. She loved to tell the story of how we met. She was hosting the Hwy 11 yard sale, and I showed up early in the morning with a van full of stuff and asked if I could set up in her yard. After spending two days with her we were friends. I came back another year or two, and then fate put us in the same quilters club a few years later. I have enjoyed getting to see her every month and learn from her and just enjoy her wonderful smile and personality. She loved quilting. She loved her family and spoke of you all often. She loved her DeKalb Quilters family, and we loved her! I am still sheltering at home due to my health history and wasn't able to be there today. I just wanted to let you all know that I am thinking of you, and I miss my friend. Love, Tonia Edmondson
