“ Dear Wood Family, Sue was a very special person. My husband Charles and I enjoyed our times with her. She shared some wonderful “history” stories with us. Although we weren’t able to visit much in recent years, we treasure our memories. May God bless and comfort you knowing Sue is enjoying being with her husband and family. Looking forward to a wonderful reunion. Glenda Martin

“ Sue has been in my life since I was 17 years old. She and Leon lived with Bernice and I for a period of time while Leon was going to school. She has always had a special place in my heart. Sue was a good person and it is comforting to know she is sheltered in the arms of god. God bless the family. Dave and Cathy Lyons
