“ *We have good memories of Susan and the Butler family. She used to babysit our daughter Miranda when she was a baby. She always loved on her and treated her with great compassion. It was always comforting to know that we had someone who treated our daughter like a member of her own family. Very saddened to hear of her passing and offering condolences to Emily, Hannah and the rest of the family.*

“ *Susan was one of the first friends I met when I entered Boaz High School. We shared many classes together. She was the best cook and seamstress in all of our home economics classes. I admired her poise and treasured her friendship. Susan will always hold a special place in my heart.*
