“ Ross, Ryan and Family,

The staff at the DeKalb County Extension Office is saddened to about Susan. We only heard just about 20 minutes ago.

I, personally, will never forget the day I asked Susan to be my Inspirational Speaker for the Secretarial Convention in 2009 at the Canyon Center....she immediately tried to back out but Brant helped me talk to her and with a little persistence....she finally accepted. Little did I know, but Brant too gave his testimony along with Susan and it turned out to be the highlight of the convention. I still hear the words Brant used to describe Susan...."She is the wind beneath my wings". Their's was without a doubt...a TRUE love story!!! I was humbled and both honored to have them as my friends!!!

Please know we share in this loss, and will forever be here for each of you. You are FOREVER loved by many and will be in our constant prayers!!
