“ *My Tal, thats what i called him Tal, I was his second wife, i was young and dumb, but i knew he was an angel on earth, i went on to live my life but i never forgot the man he was, a true gentleman, who helped and loved me and my son unconditionally. he will always be in my heart till i take my last breath, i will gather my kids and grandkids to visit his resting place, because without him i don't know where we would be today, he was the right man at the wrong time, till we meet again, i will always be in awe of you, i love you.*

“ *Dear Family, I am so sorry for your loss; please know that you are not alone; you can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.*
