*This is part of my childhood.
My parents didn't give me money to buy popsicles after lunch at school. Teresa would ask her parents for extra money so she could buy me a Popsicle so we could enjoy our banana popsicles together. This was like 2nd grade , and I never forgot her big ole heart and generosity to me .
And just since she's been sick I made her birthday cake that she liked. It was boiled chocolate fudge, with holes poked in so the chocolate would run down inside the cake.
I will never forget how she laughed and enjoyed that cake .
Teresa , I have always loved you and will miss you forever. My forever cousin and best friend. I look forward to seeing you again when Jesus comes in the clouds of glory. So glad your resting in peace and not suffering. I love you Soo much . My heart has been Soo heavy since you got sick.*
