“ The 1st time I met Terry, I was a young child. My mom, brother, sister and I were on our way to town to swap out our paw paw's pajamas, when at the corner 10th street and Gault Ave. Terry turned the corner to quick and hit the left front side of our mom's car. He got out and started checking on us to make sure we were alright. Then we found out his mother was in the same hospital as well as our paw paw. He had to take her gown back to town for a different size. Everytime I seen him, he always asked how we were doing. "RIP"! I will see you again one day.

“ When Ronnie and I was first married we stayed at Terrys and Brenda’s house! We went to games and they played ball together. After our son Brandon was born we stayed at their house a whole lot. I needed Brenda’s help I was a first time mom she helped me a great deal. We love both of them so much and they’ve always been there if we needed them. I’m so sorry Terry will be missed by so many!
