“ *So sorry for your loss, Brenda. Tom was a wonderful man and he will be missed. He always had a smile for everyone and my favorite thing was to have Tom pray in church. That fabulous voice always seemed to have authority while praying. I'm sure that God has him doing some fabulous work in heaven with that outstanding voice. Praying for you all. - Deidra, Mike & children*

“ *Tom always had a ready smile and friendly attitude. Always extremely neat in appearance. One Christmas several years ago he downloaded hits of 60s, 70s, 80s on cassettes (shows been long time) and made index booklet to go with them, that took time and ability. It was a fun gift. Tom will be missed.*
